

## Thank you to all our school supporters!

As always we are delighted to see the effort and enthusiasms shown by schools in fundraising for Rainforest Concern. We've enjoyed hearing about pupils' cake sales, rainforest cafés, rainforest calendars and many more brilliant fundraising days.

Thank you and congratulations to all who have raised money to support out conservation work.

### Particular thanks to:

## Leave a piece of paradise in your legacy

Any gift – however big or small – can have an impact on the future of the forests you leave behind, helping us continue our work to conserve threatened habitats.

Leaving a legacy to Rainforest Concern makes a profound difference to our work. In some cases, a legacy has even enabled us to establish new conservation projects.

Without your support, Rainforest Concern would not be able to carry out the work that we do. Leaving a legacy to us means that you will continue to play a part in our work far into the future; helping protect the world's rainforests and the incredible biodiversity they contain, together with the indigenous people who depend on them for survival.
